

JOHN MARSHALL, OLD HICKORY, TN (BOARD MEMBER SINCE 2019)

Why are you serving on the HNF Board?

I became interested in The Healing NET Foundation when a dear friend, Cindy Lovelace, explained what neuroendocrine tumors were and how this cancer is so often misdiagnosed. The physiology of diseases has always interested me during my healthcare career and neuroendocrine tumors definitely piqued my interest. In addition, I wanted to give back to the healthcare profession that had been so good to me.
